PRAYER OF CONFESSION *unison*

Great and giving God, free us from self-centeredness. You have given us our lives, but we do not always rejoice. You have put breath in us, but we sometimes refuse to sing. Often we are so full of ourselves that there is no room left for doing kindness, showing mercy, or for lifting another up. We are so preoccupied with our worries and concerns that we leave little space for wonder and awe. And so we often remain silent while winds and waters make melody, and all creation sings without us. Forgive us, O God! Lift us out of our doubt and fear, until our hearts join the chorus of faith and love to you and we become who we really are: people in community, people of Christ, people of the Light. We offer this prayer as servants of the One who was a servant to you, Jesus Christ himself, our Lord and our Friend. Amen.
